June 2022

Dear Parent/Carer

To support your child in their GCSE Chemistry and GCSE Physics, the Science Department have a CGP revision guide to purchase. We advise all our students to purchase a revision guide as they have proven invaluable in aiding independent study and improving outcomes, and many students have asked about purchasing one.

The text book is priced at £6 per subject, so **£12 in total** and covers content from GCSE Chemistry and GCSE Physics. This is discounted when compared to the recommended retail price.

Thank you for your continued support in helping your child succeed in their Science studies. Payment is via the School gateway app which can be downloaded via the school website <https://www.cncs.school/parents/apps-for-parents> Payments are then processed electronically and orders generated. This will need to be completed by Friday 1st July to allow us to order the appropriate number.

Yours faithfully

Mrs N Shepherd
Science Faculty Leader

Ms E O'Connor
Headteacher
