HEADTEACHER'S MESSAGE

Dear Parents and Carers

As we come to the end of our academic year, we would like to thank you and our community for all your support throughout.

It has been our first full academic year on site since 2018/2019 and we have had the pleasure of enjoying Prom nights, trips and Sports day.

Students have been amazing and readjusted to our post-Covid routines with great determination and resilience. We were particularly proud of them when the inspectors noted in the Section 48 visit:

"Pupils value the spirit of community and are inspired by the many opportunities they have to reach out and live out their life of service, further reinforcing the centrality of the 'ASPIRE' values. This is a key factor in developing their relationship with God. One pupil told inspectors, 'We come closer to God when we provide help and give to others.'"

This week our thoughts are with Mason Scott's family, Mr Davies, Mr McLintock, along with Mason's friends who are climbing Snowdon in his memory. Thank you for your support through sponsorship and the Just Giving page.

At the end of this term, we say goodbye to staff, some who may be retiring or moving to new schools. We wish them all the best for the future and thank them for their service to our school.

We would also like to thank Father Pat and our Governors for their continued support throughout the year.

Wishing everybody a safe and enjoyable Summer. We look forward to your return in September.

Yours faithfully
Ms. E O'Connor

Mason's Mountain Memory

We are so proud of our Year 11 students and Mr. Davies and Mr. McLintock.

Today, they joined Mason's Family and friends in the Sponsored Climb up Mount Snowdon. They worked incredibly hard to make it to the top and we are delighted that despite it getting quite tough, they did it for Mason.

The whole school community has gotten behind them in sponsorship by walking a mile to remember Mason Scott.

All money raised is going to help other young people to achieve their dreams and aspirations!

CATHOLIC LIFE

Walk a mile in memory of Mason.

Students have committed to a sponsored walk, in memory of Mason. The sponsored mile walks have been taking place in the morning with students walking 4 laps of the track to raise funds in memory of Mason. Thank you for all the sponsorship. A huge thank you to St Augustine's school who also raised sponsorship with their non uniform day.

Holy Cross MAC Mass

On Wednesday 13th July Year 10 representatives joined our Holy Cross MAC schools to celebrate Mass together and to give thanks for the year in school.

We nominated Christabel Dadzie as our Chaplaincy Champion and she received an award from our CSEL, Mrs. Kelly. We are very proud of Christabel and her support of Chaplaincy work in the school, she is always helpful and encouraging other students to join in and take part.

Student Council Updates Miss Cunningham

A huge well done to all the following students who have either represented their year group in the student council meetings or have given excellent contributions to the development of the student voice in school.

You are ALL made for greatness and have been excellent ambassadors of your year group!

Student Council Updates Miss Cunningham

Charity Events

Ideas raised:

- Charity cycle using the fitness suite
- Themed non-uniform days
- Sports tournaments – pay to watch
- Big Sleep Out to make a come back
- Newman Talent Show
- Christmas market stalls – use the pod to sell items (team up with Tech department to make items to sell)
- More staff vs students' events
- Water fight
- Cultural sweet sales

Actions:

- Everything discussed will be considered, especially the Christmas Market stalls
- Miss Keane to set up 6th Form Charity Leadership/student working party
- Miss Keane to review charity dates for next academic year

Promotion of Cultural Diversity

Ideas raised:

- Have more cultural music on Radio Newman
- Have another day like the Jubilee Day – students loved being able to dress in their cultural dress
- Celebration of Independence Days – we have 55 different cultures in school, so this should be reflected in PSHE, tutor etc.
- Allow students to have some say over PSHE content
- LGBTQA+ should be more prevalent in school
- If we have more cultural days, there should be lessons/tutor sessions devoted to learning about cultures in the weeks prior

Actions:

- Mr. Hedge to be informed regarding more cultural music on Radio Newman
- Miss Keane explained that there will be more stuff coming up regarding the inclusivity of the LGBTQA+ community (SYNOD)
- Ms. O'Connor to organise cultural displays around the school that showcases CNCS' cultural diversity
- Miss Keane agreed to make the Feast of Pentecost more representative of CNCS' cultural diversity

On Thursday 14th July, the student councillors met with Ms O'Connor, Miss Keane, Mrs Scanlon and Miss Cunningham to discuss charity events and promotion of cultural diversity! Some fantastic ideas were raised, and we will certainly be addressing these in the new academic year.

WELFARE AND SUPPORT

Are you in need of support?

<https://www.coventry.gov.uk/benefits-1/free-school-meals>

If you think that your child might be entitled to receive a free school meal, but you are not currently in receipt of one, please contact us on welfare@cncs.school and we will see what we can do to support you during this challenging period.

Equally, if you are struggling financially and need help with resources, please contact us on the same email, welfare@cncs.school.

Unwanted School Uniform – Donations Needed

We are always grateful for any donations of old school uniform. There are three big recycle bins by the main reception where you can drop off any unwanted school uniform which can then be recycled. These three bins all have brightly coloured lids.

Mrs. Tabram manages our school uniform and will arrange for any uniform donations to be cleaned and reused. She will then distribute these items as and when required amongst the school community.

If your child requires any uniform Mrs. Tabram's office is Room CA08.

Free Sanitary Products

Please be aware that free sanitary products for female students are available in school.

They can be obtained by speaking to a member of the female staff with the PE Department, First Aid, TLC, Student Reception or Student Support.

CATHOLIC LIFE

On Friday 17th June we joined representatives from the schools in our Holy Cross MAC to focus upon Chaplaincy in our schools.

We reflected upon what has been successful in our schools and what we would like to see more of in the future.

Together we sang some new hymns for us to bring back to our school choir and we worked together to plan the upcoming Holy Cross MAC end of year celebration Mass.

Thank you to the students that represented the school they were a credit to our school- we are very proud of you!

Thank you to Lauren Stundon and her Chaplaincy team for hosting us at Bishop Ullathorne.

ATTENDANCE

General Attendance

As a general reminder, attendance at school is compulsory every day. Missing school has serious consequences on the ability to engage with school life and learning. Whilst we do understand that illness can result in a student missing time from their education, every 5% reduction in attendance is two weeks of absence over the entire year. Low attendance results in large gaps in understanding and a decline in achievement. Please help by ensuring that your child attends school every day and on time.

Tutor Group Challenge

Every week, the tutor group with the highest attendance has had a 1-hour lunch on a Friday alongside some chocolate treats.

It's been fantastic seeing so many tutor groups competing against each other.

Tutor Group Pizza Parties

Every week tutor groups received a slice of pizza if they have the highest attendance or shown significant improvement in attendance. Once a tutor group has received 6 slices, they win a tutor group pizza party during lunch. This has been enjoyed by all the winning tutor groups.

Student Newsletter

Dear parents and carers of year 7 students

Sadly, this is my final newsletter of the Summer term.

After many wonderful years as a head of year here at Cardinal Newman, I have decided to step down as head of year 7 at the end of this term. I wish to spend more time with my family and grandchildren. I will be sad to leave this role, but excited about the next chapter in my teaching career.

It has been a privilege to be part of your child's first year and learning journey in year 7, watching them grow both in confidence and maturity. They have so many hidden skills and talents, and they are a fantastic group of young people. I have had the most incredible year and it has been a both a joy and delight to get to know all students as they are 'All made for Greatness'.

The students have all touched my heart greatly and I will miss being their head of year.

Please feel reassured that they will be in good hands with their new head of year, Miss. Eggison and the dedicated and committed team of tutors.. My classroom door will always be open, and I look forward to watching the students flourish as individuals and progress throughout their time here at Cardinal Newman.

Can I take this opportunity to thank you all for continued support this year.

Wishing you all a restful and enjoyable summer holidays and look forward to hearing all about your summer adventures.

Best wishes
Mrs Donohue

Student Newsletter

Dear parents/carers,

We are finally coming to the end of the academic year, which is also our Year 8's first full year since they were in Year 5. Over the past 10 months, it's been a privilege to be their Head of Year, watching our students grow in confidence, resilience and maturity.

During our HOY Announcements on Mondays, I have had the pleasure to share the successes and talents that have happened both in and outside of the classroom - from Football Cup Finalists, FIFA and Table Tennis tournaments, BBC Careers events, 'Top Notch' tutor pizza parties, many charity events and our annual sports day. These are just some of the highlights from the year, which just proves that all our students are 'Made For Greatness'.

Lastly, I would like to wish you and your families a restful and enjoyable summer break, and I look forward to hearing about those summer adventures.

Year 9 End of year News

Year 9 - the year is ending, and it is a time to reflect on the fabulous year we have had. We started the year in extenuating circumstances as COVID was still very present however as the year progressed, we started our journey back to normality. Along the way we have continued to shine and proven we are 'made for greatness'.

We have participated in FIFA tournaments, table tennis tournaments, pizza parties, semi-final football games, netball games, sports day - the list is endless. Throughout this year you have shown how well behaved and dedicated to your learning you are. We wish you a restful and enjoyable summer holiday in preparation for the hard work we will embark on in preparation for our English and Science exams next year!

In our end of year celebration assembly, we had the opportunity to recognise all the extra-curricular activities Yr12 students have been involved in throughout the year. *I have been amazed by their drive to broaden and deepen their knowledge through completing future learn courses in subjects such as autism, forensic science, media to name a few. And I have been humbled by their participation in Voluntary work in various settings such as charities, hospitals, primary schools and care homes.*

Extra Curricular

We are excited to bring you the news that we will be introducing an inter tutor competition next academic year. Some examples of activities that will be included:

- Dodgeball
- Football
- Basketball
- Speed Chess

A huge thank you to all the staff that have run extracurricular clubs this academic year:

Shakespeare in Action

On Friday 8th July, selected groups from Year 7 and Year 9 had the opportunity to work with a professional actor, Eleanor Kate from 'Westend in Schools'

Year 7 explored their studied text 'A Midsummer Night's Dream' through a range of practical activities focusing on physicality and embodying character.

Year 9 explored their GCSE texts 'Macbeth' and considered how to portray the power dynamic between Lady Macbeth and Macbeth.

ENGLISH

Year 12 – London Trip

On Friday 8th July, we took the A Level English Language and Literature students to London for their travel writing coursework. Students had the opportunity to explore the capital, enjoy the sunshine and soak up the culture to support with their independent writing.

Thank you to Miss Aston for organising such a successful outing!

Maths

Catholic Schools Maths Challenge

On Thursday 30th June, Cardinal Newman hosted the annual Catholic Schools Maths Challenge. This involved schools from across the region sending a team of 5 to take part in a series of mathematical challenges. All the students involved had a fantastic time and a particular well done to the students from Cardinal Newman who came first overall!

Sports Day 2022

Dear Parents and Carers,
2022 Sports Day was one to remember for all involved. The students and staff here at Cardinal Newman Catholic School had a wonderful day, packed with excitement and competition. Some outstanding performances were on show throughout the day. We were blessed by fine weather and fantastic attitudes from our competitors.

New events this year in Triple jump for Girls and 300m for Girls meant we have new record holders amongst us. As well as a 27-year-old Triple jump record by C. Eribenne (1995) being broken by Paul Makavore. Well done to Paul!

Full set of results will be announced in Celebration assemblies this week. We can't wait!

Well done to all our competitors.

Mr. N Minshull

Coventry's Irish Dancing Community

Celtica Academy for Irish Dancing

Friday 8th July 2022 & Sat 9th July 2022

- In aid of charity.

Mrs Minshull had the privilege to attend a performance by The Coventry Celtica Academy 2022, at the Belgrade Theatre. Finally, after all the hurdles that COVID created, the Academy worked their socks off to produce a wonderful evening of Irish History & Dancing. Students from all over Coventry, from 2 years old upwards were showcasing their Irish Dancing talents. Superb! Even parents were dancing. As usual the show was full of CNCS students, boys & girls. Performing and in a leadership teaching role for the younger groups. **Maggie Gallagher** runs this wonderful Academy where their emphasis is on hard work, fun and friendship.

Match reports 2021-22

Year 8 Coventry Schools Cup Football V Westwood. FINAL.

I am so so proud of the Year 8 team and what a fantastic year of football it has been for us. Reaching round 6 of the English Schools Cup, semi finalists in the West Midlands Cup to reaching the final of the Coventry Schools Cup.

The final was held at the Coventry Butts Arena Park, fabulous venue and a fabulous day for it. It was a very cagey start for the team getting used to the size of the pitch and the opponents pace. You could clearly see there was a lot of nerves. Westwood took the lead with a well deserved goal and we went in to the break with a 1-0 deficit. After an inspiring team talk Newman came back out firing and drew level from a Thomas Molloy goal, however the sucker punch hit straight away with westwood taking the lead again within a matter of minutes from a very good counter attack when Newman were on top. This flipped the game on it's head and we started to drop our heads. Westwood finally finished 4-1 winners and a big congratulations to them. However, we can be really proud of the squad and we go again next year! - SWN

'Helping your teen stay safe online'

Key Points:

- Agree rules such as never giving out contact details online and make sure that your child knows why they should never give out their full name, number or email address
- Don't just have one-off conversations about keeping safe online, ensure it is a continuous chat and keep it general
- Talk to your teen about managing their online reputation and their digital footprints, reminding them whatever they post online is always out there and can never be deleted so to think twice about what they post
- For further guidance please use the link -

CAREERS

It's been a fantastic fortnight for meeting employers! Year 10 had a Careers Fair where there was a wide range of businesses there from Architects to Paramedics, we even had an Ambulance complete with flashing blue lights! So exciting! Then, Year 8 had a 'Meet the Employer / Speed Careers Event where they met an actor, a BBC journalist and Musician, a professional Photographer and a Wedding planner...to name just a few! Wow what fun we had! Photos on CN Facebook.
