

Saint John Henry Newman

“We should remember ... that we are immortal spirits, independent of time and space, and that this life is but a sort of outward stage, on which we act for a time ... We should consider ourselves to be in this world in no fuller sense than players in any game”

God has created me to do Him some definite service. He has committed some work to me which He has not committed to another. I have my mission.... I am a link in a chain, a bond of connection between persons. He has not created me for naught. I shall do good; I shall do His work. I shall be an angel of peace, a preacher of truth in my own place.
