Dear Parent/Carer

IMPORTANT INFORMATION REGARDING CATERING SERVICES

As we approach the final few weeks of what has been a challenging year we look forward to planning for the excitement of September. Most notably the opening of the new dining hall.

The contractors, who are busily completing the dining hall, are now turning their attention to the development of Canterbury and Lindisfarne blocks which will see the old kitchens removed and six new classrooms installed.

Due to delays in material availability and working around the restrictions that have been in place during COVID, the completion dates have been challenging. In order for the school to be operational in September, work on the kitchens will begin on Monday 5th July.

Therefore, the school's catering offer for the last 15 days of term will be a limited service.

Break Times: Fruit, cereal bars and drinks will be available

Lunch Times: Picnic Bags (only) which will include sandwich, drink, fruit or cookie

Costings

Students receiving Free School Dinner: No cost

Not Receiving Free School Dinner: To reflect the reduced offer, the school will be subsidising the picnic bag offer, reducing the cost from £2.35 to £1.35 per child.

This service will commence on Friday 2nd July. This is not an ideal situation but we hope by working together the students will benefit on their return in September with the new facilities.

Yours faithfully

Ms E O'Connor
Headteacher
