

KS4 Curriculum Overview: Year 13 A Level Business Studies

1.Rationale: to include: In Year 13 learners will focus on studying key elements focusing on business decisions strategy and global businesses, which will help develop their knowledge and understanding from Year 12. We will help them to develop their understanding of the key concepts of the business world linking to real world scenarios.		2.A learner in Year 13 will be able to: demonstrate understanding of key concepts within the topics of business decisions strategy and global businesses. This knowledge will help to develop students understanding, application, analysis and evaluation skills, as well as build on the work completed in Year 12.
