23<sup>rd</sup> November 2022

Dear parent/carer

## Re: Geography Homework Incomplete

We hope that you are well and that your child is enjoying the return to school following half-term.

Homework is an important part of our students' learning process and is crucial in developing important skills across all their subjects as well as developing independence.

During the first half-term, of this academic year, your child failed to complete a number of Geography homework tasks for the given deadline. This automatically issues a 50-minute detention after-school the following Thursday. You should have received notifications when these incidents occurred. However, a number of these detentions have not been attended.

As we begin this new half-term can we ask that you monitor and support your child in meeting their homework deadlines. Students who consistently fail to complete homework in time will be required to attend the after-school homework club.

Remember you can monitor your child's homework, behaviour and timetable via Class Charts. Further details can be found here:

- Accessing and using 'Class Charts': <https://bit.ly/3jLnysw>
- Homework timetables for students: <https://tinyurl.com/35bsbvvm>

Also, you will have recently received information regarding the upcoming 'Autumn Assessments' that began on Monday 14<sup>th</sup> November 2022. We would like to take this opportunity to emphasise the importance of engaging with the booklets they have received as part of their homework.

For further information on the assessments and how best your child can engage with the assessment revision booklets, please visit our website: <https://tinyurl.com/797zehdx>

Finally, 'Homework Club' is open to all students each evening until 4pm in our library. Homework support is offered and students have access to online resources and equipment. If your child has any difficulties accessing their homework please contact their Head of Year so we can discuss how best we can support.

Yours sincerely

**Mr L Miller**  
**Head of Geography**

**Ms E O'Connor**  
**Headteacher**
