14th December 2022

Dear Parents/Carers,

We hope you and your family are well at this time.

We are writing to update you on the preparations and support in place for your child as they approach their second round of mock exams taking place 13th February-3rd March. Teachers have prepared structured homework for over the Christmas holidays and this has been collated into a booklet, students will be provided a copy of this and you can access it on the website via this link: <https://tinyurl.com/2m6zp6ev>

As part of our Year 11 support we began P6 lessons this term and this will continue next term the timetable can be accessed via this link: <https://tinyurl.com/bspezaxt>

Please be reminded that all Year 11 students are expected to stay after school even if they do not have a P6 session and they can work in the library which is fully stocked with all revision guides, subject resources, and all of the equipment students will need to support any of their revision. After the Christmas break, selected students will be required to stay for period 7 sessions in key subject areas. Period 7 lessons will take place between 4:30 and 5:30 on an evening, and food and refreshments will be provided for those invited to stay. In addition to this, some students will also be invited to attend Saturday morning tuition, which will be specifically tailored and bespoke to small groups of students in key subject areas. Saturday morning tuition proved popular with students last year, and had a proven positive impact on student performance in their exams.

This term Year 11 students attended a fantastic Study Skills Workshop hosted by Positively You. Due to the success of this event, we have invited them back for an Exam Technique Workshop after the Christmas break which will take place before the next round of mock exams, date to be confirmed.

If you need any further support, guidance or information please do not hesitate in contacting us. We would also like to take this opportunity to thank you for your continued support and we wish you a very happy Christmas and a peaceful New Year.

Yours faithfully

R Poole
