SCHOOL NAME: CARDINAL NEWMAN

Please read the information below regarding 2nd dose HPV (Human Papilloma Virus) vaccine in school for all Year 9 students.

The Immunisation and Vaccination Service will soon be delivering the 2nd dose HPV vaccine in school. If you consented to this course of two vaccinations, your child would have received their 1st dose in year 8 or within the last 6 months and is now due to receive the 2nd dose.

If any of your child's circumstances have changed since you completed the consent form for example:

- They have developed a new medical condition or allergy,
- Are now taking newly prescribe medicine/s
- Received the vaccine elsewhere
- You now wish to withdraw your consent

It is **important that you contact** your child's Vaccination Team (details below) so that they can discuss this with you.

If your child has not started the HPV vaccine course and you would like them to receive the vaccinations please contact your child's Vaccination Team to arrange consent.
