February 2023

Dear parent/carer of ...

We are writing to inform your child has been invited to attend GCSE Biology revision day over the February half term at Cardinal Newman Catholic School. These sessions are being delivered by an external revision company; Pet Xi.

Students in Year 11 benefitted from sessions by Pet Xi last year in preparation for their GCSE Biology exams, and the feedback was extremely positive.

Each session will have a different focus, and will be based on both November mock exam and student target data. The sessions delivered aim to support and develop current knowledge and understanding in Physics.

The sessions will be delivered on the following day: Monday 20<sup>th</sup> February 2023

Please see below for the timetable of planned sessions:

Classes	Subject	Date	Time	Location
Selected pupils	Biology	Monday 20 <sup>th</sup> February	10.00 – 3.30	AY03

Refreshments are provided for all tuition sessions, for all students. If you have any specific dietary requirements, please contact Miss Oakman or Mrs Shepherd via email:
