Dear parent/carer of ...

We are writing to inform your child has been invited to attend GCSE Chemistry revision day over the February half term at Cardinal Newman Catholic School. These sessions are being delivered by an external revision company; Pet Xi.

Students in Year 11 benefitted from sessions by Pet Xi last year in preparation for their GCSE Biology exams, and the feedback was extremely positive.

Each session will have a different focus, and will be based on both November mock exam and student target data. The sessions delivered aim to support and develop current knowledge and understanding in Chemistry.

The sessions will be delivered on the following day: Tuesday 21st February
