Dear Parent / Carer

Re: World Book Day Book Token

We hope that you and your families are well at this time.

On Thursday 2<sup>nd</sup> March 2023 we will be celebrating World Book Day in school. As part of the celebrations the organisers of the event will give each pupil a book token which they can use in participating retailers.

This year the book token is provided in digital form which can be shown on a mobile phone or tablet at the checkout. The book token can be exchanged for a free World Book Day £1 book, or go towards getting £1 off a full price book. For pupils who are unable to access a device to receive their token, printed ones will be available in the school library.

Please note that not all retailers will be able to scan the digital barcode, and some may require a printed version of the book token which again will be available in the library should you require one.

Please also note that the book tokens are single-use only and cannot be redeemed online.

Digital book tokens will be sent out via email, however, should you require further assistance please do not hesitate to contact us.

Thank you and happy reading!

Yours faithfully
