## Re. Respect Agenda- Environment & Chewing Gum

Dear Parents/Carers,

We hope that you and your families are well at this time.

We are writing to inform parents/carers of the school's Respect Agenda that promotes and educates our students on being respectful. Respect is at the core of our school ethos and is promoted through our ASPIRE values. This half term to promote the Respect Agenda we will have a weekly focus for students and we will work on the following:

- Respecting our school environment
- Use of respectful language and communication
- Showing respect by following the CNCS High Standards
- Respecting other students' personal space
- Showing respect through being punctual

The weekly themes will be delivered through our pastoral programme, however, we require the support of our parents/carers to drive these core values at home to ensure that our students fully understand their importance both in school and within society.

The focus for the first week back at school is respecting our school environment and specifically enforcing the ban of chewing gum on school site. In the last 2 years we have invested in new tennis courts and a state-of-the-art canteen so that our students have some of the best facilities in the city. However, we have since had to invest further in maintaining this areas, due to the amount of chewing gum that has been left on the tennis courts and surrounding the canteen. Please support the school by ensuring your child is not bringing chewing gum into school to help us maintain a clean and pleasant environment for all children.

Thank you for your support in driving the highest standards and expectations for all our students. Please do not hesitate to contact us if you have any questions or concerns either by phone at 02476 332382 or via email at [adam.williams@cncs.school](mailto:adam.williams@cncs.school).

Yours faithfully

**Mr A Williams**  
**Senior Assistant Headteacher**
