Conditional Offer: Cardinal Newman Sixth Form

Thank you for your application to join Cardinal Newman Sixth Form in September 2023.

We are delighted to be able to make you a conditional offer of a sixth form place. This offer is subject to you gaining the required grades for your chosen courses in your summer examinations. Should you find that you do not meet the entry requirements for one or more of your chosen courses, we will offer you an alternative subject for which you do meet the entry requirements.

Cardinal Newman Sixth Form strives to offer a wide range of courses. Our offer is dependent on course entry requirements, subject enrolment numbers and must reflect government guidance at that time.

You will be joining a successful sixth form that is proud to celebrate the excellent results achieved by our students and the fantastic destinations they progress to. Our students attend top ranking universities in the UK and America, secure prestigious apprenticeships or employment with further training.

In order to support a smooth transition from Year 11 to Year 12 we will be holding a range of induction activities. These will include: a Sixth Form Induction day, subject sessions, orientation talks, an introduction to the transition units and a University visit.

To confirm your acceptance of this conditional offer please complete the following form via: <https://forms.office.com/e/OCEcy8VSVp> by Monday 27th March 2023.

All places in the sixth form are subject to a probationary period.

In the meantime, should you have any questions about any aspect of sixth form study or would like to talk through your options please email me at: sam.mcdonnell@cncs.school

Yours sincerely
