Dear Parents/ Carers

We hope you are well at this time.

We are writing to invite you to a parental session regarding Revision Support and Work Experience. This will take place on Monday 27th March, from 500-6.30pm.

Positively You – Parental Revision Session

With the examinations for English Language and Biology, fast approaching for our Year 10 students we are excited to inform you that we have secured a company called Positively You, that we have used very successfully in the past, to run a parental session on supporting your child with their revision in the upcoming Y 10 exams and subsequent exams in Year 11. This will follow Revision Workshops that the students will have during the school day with Positively You, in order to support them in their developing revision skills. Students will receive their most recent mock examination results on Friday 24th March, so the revision sessions for both students and parents should encourage the following weeks to be purposeful in terms of preparation.

Work Experience

In addition, we are delighted to be offering Y10 the opportunity to participate in Work Experience. To support you in your understanding of the process and expectations of Work Experience, we will also be sharing important information on this evening, regarding how you can support your child with securing their placement for work experience and the expectations when on placement. Furthermore, we will also share the support we have available during the Work Experience process.

A reminder that examination dates for Y10 students this year are as follows:
