

CARDINAL NEWMAN
CATHOLIC SCHOOL

YEAR 11

EXAMINATION
PREPARATION BOOKLET

Summer 2023

Dear parents, carers

GCSE Examination Arrangements

We are now approaching the beginning of the GCSE examination period for which students have been preparing throughout KS4. We hope students approach this in a mature manner and revise fully for each examination. We ask parents to support and ensure that students are well prepared. Your child’s individual examination timetable, along with their own individualised timetable for revision sessions, should be displayed somewhere prominently in the house so no exam is missed. Timetables are also displayed outside the Head of Year office, in tutor rooms and outside the Sports Hall for students’ reference. This is where seating plans will be posted as each examination gets closer. Dates will also appear in the school newsletter.

Please make sure your child has the equipment they need to be successful. This includes the following items:

2 black biros (one spare in case the first runs out)	Pencil (plus a sharpener)	Ruler	Eraser
Protractor (for Mathematics and Science examination)	Compass (for Mathematics examination)	Scientific Calculator (Essential for Mathematics and all Science examinations although may also be required in other exams)	A clear pencil case

We will support any students that needs help with obtaining their examination equipment, please encourage your child to contact the tutor or visit the TLC.

Over the coming months, you can help support your son/daughter with their revision planning, keeping them on schedule and, most important of all, making sure they eat and sleep well so they perform at their best. Students are also expected to present themselves for their examinations in **full school uniform**. As with examination equipment, please contact the tutor, Mr McLintock or encourage your child to see Mrs Tabram in uniform if any support with uniform is required. Do not leave it until the day of the examination/s.

If your child is ill during the exam season, please phone us immediately to let us know. No alternative arrangements can be made to sit an exam at another time so it is always best to attempt the exam rather than miss it altogether. Exam entry fees have been paid by the school for your child but if they miss an exam you will receive a bill and will have to pay for each paper missed. Please support your child by getting them into school on time. It can be very unnerving and affect their performance if they are in a rush to get to the examination hall.

GCSE Examination Lesson & Revision Schedule

At Cardinal Newman we do not operate a system of study leave. Instead, we set up a specific programme of study tailored to the needs of students to support in developing further revision and examination techniques.

Over the examination period extra revision sessions have been created. **Please look at the attached examination schedule carefully** which marks out all of the GCSE examinations and the respective revision lessons for the remainder of the examinations. Your child will also receive their own personalised timetable. Where students are not in an examination or an additional revision lesson, they are expected to remain within their normal timetabled lessons and have with them resources to revise during lessons where examinations have taken place. A copy of the schedule can be found on the school website. **All students will be required to register in school every day with their tutor. Please can you reinforce this with your child as it is vitally important that we are aware of who is in school at all times. Can you ensure that your child attends all of the sessions that they are required for as the staff will be using those lessons to prepare students for examinations.**

The final whole cohort examination (Physics) is on Friday 16th June 2023 and the final examination is on Wednesday 21st June. **Arrangements will be made to collect in any school books on or before this date.** Students have in the past signed shirts after the final examination. For this to happen **please ensure that your son/daughter brings in a spare shirt that can be signed and kept in their bags** as a souvenir. Students will not be allowed to wear signed shirts to walk home. You will be called to collect your child unless they have a clean shirt to wear home.

Year 11 End of Year Mass

The time of the Year 11 end of year Mass will be confirmed in a letter in the coming weeks. This will be the last time that students and families can come together as a community for Mass and it would therefore be wonderful to see everyone there. There will light refreshments available after the Mass where prom tickets will be issued to students that have purchased a ticket.

Year 11 Prom

The Year 11 Prom is on Wednesday 28th June at The Windmill Village, Allesley Village at 7.00pm. Entrance is strictly by ticket only and tickets will be distributed to students at the Year 11 Mass. Students need to make their own arrangements for transport to and from The Windmill Village. Attendance to the Prom is subject to meeting behaviour expectations in Year 11.

Year 11 into 12 Maths Bridging day

For students who wish to take Maths AS-Level or A-Level there is a bridging day at the start of July. The exact date will be shared with you at a later date. **This is compulsory for any students wanting to study Maths at Post 16.**

Collection of GCSE Results

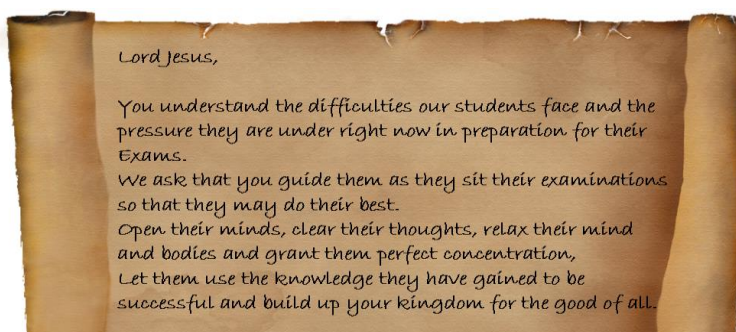

The GCSE examination results will be available for collection on Thursday 24th August from 9.00am to 11.00am, in the Pope Francis Hall. Further details for this date will be sent to students and parents before the summer break.

We wish all our young people good luck in their forthcoming exams and many thanks for your continued support. Please contact us at the school if you have any queries regarding the examination arrangements.

Yours sincerely

Ms E O'Connor
Headteacher.

Good Luck
in your exams

GCSE Examination - Lesson & Revision Information

The schedule below identifies the examinations and the lessons that have been scheduled for each particular day. **All students will be required to register in school with their tutor each morning.** The priority for each day will be as follows:

1. Examination. Any student sitting an examination will be expected to be in the correct location for their exam.
2. Revision lesson. Where a student is part of a course with an additional revision session, they should attend this rather than their normal timetabled lesson. These are set up so that students get to spend time with their teacher directly before they are about to sit that exam. For example if there is a Science exam on Tuesday afternoon, students will be with their Science teacher Tuesday morning.
3. Normal lesson. Students should attend their standard lesson following the timetable they have used for the year to date. Where a subject course has completed students may be extracted for additional support if this has been prearranged by the teachers concerned. If this is not the case students will be expected to work individually on examination preparation for other subjects. **It is therefore essential that students bring revision material in with them every day.**

New Timings of the Day - During the Summer examination period, timings of the school day will alter slightly to ensure examinations start at suitable times and have less disruption from outside noise. **Please see below the timings that show when students must line up and the start time for each examination.**

Each day over the coming weeks has been broken up into the daily activities. The example below illustrates how the day will be organised.

The date is displayed in this box				Key information about compulsory attendance will be shown in this box			
Period	Time	Normal Class (3 rd priority)		Examinations (This takes first priority)			Extra Revision Session (This takes second priority)
		11a	11b	Subject	Length	Number	
Before School	7.30am – 8.40am						
Tutor	8.40am – 9:10am						
Period 1	9:10am – 10:10am	11A Options					This is where additional revision sessions will be outlined. If a student takes this subject and is not in an examination they will be expected to attend this session.
		Ar					
Period 2	10:10am – 11:10am	11A Options					
		Ar					
Period 3	11:30am – 12:30pm	Sc	En				
Period 4	1.10pm – 2.10pm	Ma	Sc	Any examination will be in yellow. Students only sit this examination if part of their course	Length of the exam	Number of students in the exam	
Period 5	2.10pm – 3.10pm	Re	Pe				
After School	3.10pm – 4.10pm						

Here are the new timings for the school day from Monday 15th May. These will be changed during the examination period to ensure that afternoon examinations have suitable time to complete without disruption across the school.

In this column you will see the normal timetabled lessons. These will differ according to each student although the timetable shown is for all lessons.

When a subject has completed the examination, it will be highlighted in red as the course will have finished. Students will be able to use this time to prepare for upcoming examinations. They should bring with them suitable material to revise from during this time. They will be expected to attend the lesson as normal and will be supervised during this time.

Week before exam period begins

Friday 12 th May 2023				Compulsory attendance for all students		
After School	3.10pm – 4.10pm					Religious Education P6

Period 5	2:10pm – 3:10pm	Science	RE				English Language (Y10 and Y11 resit)
After School	3.10pm – 4.10pm						

***Y11 Extended Assembly – Heads of subjects with exams still remaining after half term will each deliver a 5-10 min presentation on what students need to do over half term. Also an opportunity to promote half term sessions and give out revision resources.**

Please note, there is no study leave and students will be expected to attend school as normal after half term.

Whitsun Half Term

During the half term week there will be additional revision sessions planned which will be shared with parents and students closer to the time. Please be prepared to support the school during this time. The space below is provided for you to add your individual sessions. This information will be distributed closer to the time.

END OF EXAMINATION PERIOD. THERE ARE NO MORE GCSE EXAMINATIONS AFTER THIS DATE

Below is the summer timetable of examinations for GCSE students. Students will receive individual examination entries, which will detail the examinations which are relevant to the courses they study.

Revision sessions will run during half term and over some weekends. This information will be communicated with students separately.

Students should be lined up and ready to enter morning examinations by 8.40am. Afternoon examinations either begin at 1.30pm (Monday, Wednesday, Thursday and Friday) or 1pm on Tuesdays. Please ensure that your son/daughter is fully equipped for each examination following the guidance from their subject teachers.
