## **1. How will Induction Evening and Induction Day work during school closure?**

The original dates planned of 5<sup>th</sup> July (Induction Evening for Parents/Carers) and 7<sup>th</sup> July (Year 6 Induction Day in school) will not be going ahead. Instead we will set up a number of induction activities which are likely to be electronically/virtually based, so you and your child can feel more connected with our school. We will share a virtual tour of the school to help students become a little more familiar with our school site. The Head of Year 7, Mrs Donohue will also be in contact. There is an overview calendar of contact sharing in the welcome booklet enclosed with this letter.

## **2. Can I buy uniform ready for September?**

You can purchase uniform from any of our suppliers, and a full list of all uniform requirements can be found in the welcome booklet. Please take some time to look at our uniform and our expectations. We feel it is very important for students to look smart and are prepared and ready to learn.

## **3. How will information from Primary school be passed to Cardinal Newman?**

We will liaise with primary schools to gather key information about your son/daughter. The SEND department are also contacting primary schools so we can ensure that those who need additional support receive it as soon as they start with us. We may be in touch with individual families to gather additional information, but please feel free to get in touch if there is anything specific you would like to discuss using this email address [transition@cncs.school](mailto:transition@cncs.school)
