July 2020

Dear Year 6 Parents/Carers

We hope this letter finds you and your families well.

As you may be aware the government released additional guidelines last week to help schools prepare for full re-opening in September. The guidelines have instructed schools to reduce the risk of socialising by limiting the number of students and staff in contact with each other and to maintain in consistent year groups known as "bubbles".

As a school we are responding to these guidelines and are currently working on a plan with our Health and Safety Executive Committee. In response to the guidelines it has become apparent that we have had to review the tutor groups we had originally sent out in preparation for the start of Year 7. We will be sharing our new plans for all Year 7 students next week but please be assured that all plans will be put in place to ensure the strictest safety for your children.

Please note that Year 7 will start at Cardinal Newman on **Thursday 3rd September**. On this day, only Year 7 will be on the school site for their induction. Further details about the first day will be communicated before the end of term. Meanwhile please visit our school transition page on our school webpage <http://www.cncs.school/Year-6-to-Year-7-Transition> for regular updates.

We are very excited about meeting our new Year 7 cohort and are looking forward to welcoming them to the Cardinal Newman community.

We look forward to working with you all.

If you have any questions, please do not hesitate to contact us at school.

Yours faithfully

Ms E O'Connor
Headteacher

Ms S Caherty
Assistant Headteacher
